Follow the steps below when you send files by email.

Put all the files you want to send to us in **one folder and name/ “user name” it after your organization.** (Should be considered. The link below is to improve your knowledge. Not for trade or any other purpose.)

Attachment size limit

1. Google Drive

You can send up to 25 MB in attachments. If you have more than one attachment, they can't add up to more than 25 MB. If your file is greater than 25 MB, Gmail automatically adds a Google Drive link in the email instead of including it as an attachment.

2. WeTransfer
